

umma Reimagined

The expansion and restoration of the University of Michigan **Museum of Art**

Building the Future Together

As a university museum in a community setting, UMMA is **committed to the advancement of knowledge**. We believe that encounters with original works of art make us fuller human beings and promote good citizenship—especially important as we prepare young people to be tomorrow’s leaders. Our thought-provoking exhibitions and programs encourage deep looking, challenge previous assumptions, provide solace, and allow viewers to develop their own meanings in timeless works of art.

Every gift is important. UMMA needs your help to make the expansion and restoration of this national jewel a reality. We look forward to publicly recognizing gifts at the following levels:
